Before the Cool Campus Challenge closes on Friday, April 26, reduce your carbon footprint in the UCI system-wide competition! Once you sign up, it’s easy to earn points as you take action to combat climate change. Pledge to commute by bike today and earn the chance to win prizes and giveaways while enjoying the wonderful spring weather.

Invite your friends and colleagues to do their part in keeping our environment green with the Cool Campus Challenge!

Founding Member
As an avid cyclist, Michelle has been a great addition to our BikeUCI Ambassador program! She has competed in the Iron Horse Bicycle Classic for the past two years and credits her strength and energy to cycling. Michelle hopes that her active lifestyle encourages others to start cycling for a healthier, hassle-free commute.

Ambassador Spotlight
Michelle McCullough, Silver Level
Michelle is a member of the BikeUCI Ambassador program and has been an active cyclist for several years. She enjoys the sense of community and camaraderie that cycling provides, and she is dedicated to promoting the benefits of cycling to others.

BikeUCI Volunteer Opportunities
Our biking community is continually growing thanks to BikeUCI Ambassadors and their efforts sharing their love of biking at campus events. Share your enthusiasm for riding, fun, and safety with the following volunteer opportunities:

- Saturday, April 27: Bike Sustainability Fair
- Saturday, May 17: Bike to UCI Day
- Saturday, May 25: Smart Cycling On-Road

These events will allow BikeUCI Ambassadors to level up within the program and get the chance to receive complimentary training and potential giveaways reserved for advanced levels. Our goal as a program is to highlight the importance of riding safely while having fun. If you are passionate about biking, become a BikeUCI Ambassador today!
